

BRASS MEMORIAL PLAQUE APPLICATION FORM

St. Mary's Sandyford Village
Our Lady of the Wayside Kilternan
St. Patrick's Glencullen

Our dearly departed ones are always in our thoughts. In our Churches there are brass memorial plaques on the benches in their memory. A Brass Memorial plaque is a very tangible and beautiful method of honouring the memory of our beloved departed.

The plaques are made from the highest quality brass. They are deeply etched and infilled and are 150mm x 50mm in size. They are applied to the bench using counter sunk brass screws. The cost per dedicated plate will be €300.
